City of Mount Holly Action Agenda Item

To: City Council

Date: February 8, 2019

From: Danny Jackson, City Manager

Meeting Date: February 11, 2019

Agenda Item to be considered: *Consent Agenda #1 – Approval of the Special Events Policy/Application and an amendment to the Fee Schedule include fees associated with Special Events*

Will this require a public hearing?

☐ YES

☒ NO

Background/Purpose of Request : *If you will recall, in recent updates I have mentioned and sent you documentation regarding a new Special Events Policy/Application and associated fees with the process. Enclosed you have all of the final information for your review and official approval. This information is the byproduct of hard work performed by staff and the Special Events Committee. Also enclosed is the Special Events Calendar. The timing of it all is significant because we are already receiving inquiries about special events. Therefore, the sooner we adopt the new process the sooner we can serve the public. The fees in the fee schedule are needed to capture to some degree the work involved with processing events. This is a new approach to the matter and one that is practiced by other jurisdictions.*

City of Mount Holly Special Events Application Policy **for Park/Street Events**

- This policy relates to special events that may take place in all city parks and streets.
- A completed Special Event Application and Application Fee of \$200 must be submitted to the City's Event Coordinator no less than 60 days prior to the proposed event. Completion of the application and payment of the fee **DOES NOT** guarantee approval of the proposed event.
- Special events can be defined as a community festival, cultural entertainment, or other special events. This policy and application does not pertain to private facility rentals such as birthday parties or family reunions. It also does not pertain to city-sponsored special events.
- Any use/possession of alcoholic beverages must be approved by City of Mount Holly.
- The City of Mount Holly reserves the right to decline any application that is not in the best interest of the City.
- The City of Mount Holly will look at the following criteria to evaluate a special event viability:
 - A. The date and time of year the event will occur.
 - B. The location, estimated attendance, and parking arrangements.
 - C. Whether the event will benefit non-profit community organizations.
 - D. The impact and/or cost associated on the City of Mount Holly services.
- Upon approval of the Special Event Application, the applicant will be required to pay a Special Event Fee to the City of Mount Holly which will be used to reimburse the City for any actual expenses incurred during the event. City services include but are not limited to special security, special services and clean up. The Special Event Fee is part of the Mount Holly Fee Schedule and is an attachment to this policy. The cost of Special Event Fee is required to be paid to the City at least 30 days in advance of the event.
- The applicant may request the City of Mount Holly Co-Sponsor the event. A Co-Sponsorship request must be made in writing stating the details of the event, the community impact, the amount of anticipated proceeds and how the proceeds will be disbursed. If the event is approved as a Co-Sponsored event by the City of Mount Holly additional rules and regulations will apply.

Agenda Item to be considered:	
Presentation of the Downtown Park Feasibility Study	
Will this require a public hearing? ☐ YES X ☐ NO	
Background/Purpose of Request:	
<u>Kyle Baugh and Laura Handleton from Kimley-Horn will be presenting the findings of the Downtown Park Feasibility Study. The results of the study came from public involvement and Kimley-Horn's discussions with City Planning, Parks & Recreation, and Management Staff. A public input meeting was first held on December 4. From the feedback from the public input meeting, the steering committee met on January 14. The steering committee was presented with 4 renderings, 2 renderings of the Veterans Park expansion, and 2 of a new Downtown Park. The steering committee chose 2 of the renderings be sent to Parks & Recreation Commission. The Parks & Recreation Commission met on January 22 to look over the Downtown Park rendering and Veterans Park expansion rendering. The Commission recommended the splash pad be moved from the Downtown Park plan and added to Veterans Park. They then made a unanimous recommendation to City Council for the Veterans Park expansion that includes the splash pad. Kimley-Horn has recently provided City staff with the preliminary cost estimates of the Downtown Park(\$3,170,000), Veterans Park expansion with the sand volleyball courts (\$3,560,000), and the Veterans Park expansion with the splash pad feature (\$4,520,000).</u>

MEMORANDUM

TO: Mayor, City Manager, and City Council, City of Mount Holly

FROM: Marie M. Anders, Assistant City Attorney

RE: Parking issues at E. Catawba Ave. and Highland Ave. intersection

DATE: February 8, 2019

At the January 28, 2019, City Council meeting, Council discussed parking on E. Catawba Ave., specifically at the approach to the intersection with Highland Ave. After discussing a few options to address issues with parking at this location, Council directed staff to look at the NCDOT standards for parking near an intersection and return with that information to help facilitate further discussion on this topic.

Attached is a copy of the Powell Bill Map, which shows which roads within the City are privately maintained, maintained by the City, and maintained by the State through NCDOT. E. Catawba Ave. is a City-maintained street and Highland Ave. is a NCDOT maintained street. NCDOT imposes a sight triangle measuring 10' x 70' in size along the intersecting rights of way with NCDOT maintained roads, with the 70' dimension along the cross street. However, the City has the right by ordinance to regulate, restrict, and prohibit parking on public roads within the City, and therefore the City may adopt a more restrictive parking regulation than the NCDOT regulation.

The proposed revision to Chapter 13 of the City Code would prohibit parking within 100 feet of an intersection with a NCDOT road. This would include the intersection between E. Catawba Ave. and Highland Ave. It would also include intersections with other NCDOT roads such as Hwy 27, Belton Ave., Tuckaseege Rd., Old 27/Woodlawn Ave., and Lucia-Riverbend Hwy.

The proposed City Code revision outlined above is only one option before the Council, which is intended to supplement the other options proposed and discussed at the last meeting, such as planting an attractive shrub or other landscaping in the grassy areas of the road right of way to complete the landscaping along E. Catawba Ave. and amending or enforcing the City Code in other ways.

RESOLUTION TO AMEND CHAPTER 13
OF THE MOUNT HOLLY CITY CODE
TO PROHIBIT PARKING NEAR NCDOT INTERSECTIONS

BE IT RESOLVED that the City Council hereby amends Chapter 13 of the Mount Holly City Code as follows:

Section 13-32(a) reads as re-written:

“Sec. 13-32. Prohibited in certain places.

(a) No person shall stop, stand or park a vehicle, except when necessary to avoid conflict with other traffic, or in compliance with law or the directions of a police officer or traffic control device, or within designated parking areas, and no sign shall be required in any of the following places:

- (1) On a sidewalk;
- (2) In front of a public or private driveway;
- (3) Within an intersection;
- (4) Within fifteen feet of fire hydrant;
- (5) On a crosswalk;
- (6) Within twenty feet of a crosswalk at an intersection;
- (7) Within thirty feet upon the approach to any flashing beacon, stop or traffic control signal;
- (8) Within fifty feet of the nearest rail of a railroad crossing;
- (9) Within twenty feet of the driveway entrance to any fire station and on the side of a street opposite the entrance to any fire station within seventy-five feet of such entrance, when properly signposted;
- (10) Alongside or opposite any street excavation or obstruction when stopping, standing or parking would obstruct traffic;
- (11) On the roadway side of any vehicle stopped or parked at the edge or curb of a street;
- (12) At any place where official signs prohibit stopping.
- (13) On River Street from the City's parking lot at River Street Park

North to Dutchman's Creek. (adopted & effective 6-8-92)

(14) Within one hundred feet of an intersection of any road with any NCDOT maintained road.”

City of Mount Holly Action Agenda Item

To: Mayor and City Council	Date: February 5, 2019
From: Miles Braswell, Asst. City Manager	Meeting Date: February 11, 2019
Agenda Item to be considered:	
Streets and Solid Waste Property Redevelopment – Brokerage Firm Selection	
Will this require a public hearing? ☐ YES ☒ NO	
Background/Purpose of Request:	
The former Streets and Solid Waste (old Water Treatment Plant) Property, located at 725 Elm Street, was brought before Council on September 24, 2018 to discuss the next steps in the redevelopment process. From Council's instruction, the property has been rezoned from H-1 Heavy Industrial and Residential Downtown to Conditional District Commercial-Multifamily, which allows for the following: • Minimum 5,000 sq ft restaurant • Brewery • Microbrewery • Distillery or brewpub • Ability to construct up to 30 multifamily units onsite. As a matter of background information, the following shows the tasks to date: • During the 2018 City Council Retreat, one topic the City discussed was the redevelopment of the former Streets and Solid Waste Department property. It was determined that a Request for Proposals (RFP) was to be developed in-house and advertised to entice developers to submit their development plan for consideration. • This RFP was prepared, issued on July 1, 2018 and advertised on July 1, 2018 by posting in the Charlotte Observer and placing on our website. A pre-proposal conference was scheduled for July 20, 2018 but unfortunately, no one attended. The RFP was then re-advertised in the Charlotte Observer on July 29, 2018. • Proposals were due on September 21, 2018 by 12:00 PM, with no response from developers. • During the September 24, 2018 Council Meeting, staff presented the option to move forward with the Request for Qualifications (RFQ) process, where the City may select a Firm to market the mentioned property and assist with structuring lease/sale/upfit or combination thereof. If this RFQ method was approved by Council, the Firm would have been selected based on their qualifications, not price. Staff prepared the RFQ selection timeline and presented it to Council. • From the Council discussions at the September 24, 2018 Council meeting, staff worked from September 2018 through January 2019, to rezone the property, with this process now complete.	

At this time, staff would like Council to consider the next step to market the property to developers and assist with structuring any developer agreement for the lease or sale of this property. Staff proposes to move forward with our current brokerage firm, Coldwell Banker Commercial MECA, and allow Coldwell Banker – MECA to work with the City Attorney to structure the appropriate agreement.
