Mount Holly Community Development Foundation, Inc.
Wendy Foster
106-B South Main Street
Mount Holly, NC 28120

Dear Wendy:

It is a pleasure to advise you that our Board of Directors has approved a grant of \$7,500 for the Historic Downtown Signage Program. The Board has requested that the Community Foundation name/logo be present in the signage for funding the project. The Mount Holly Art and Music Festival Kids Zone was not funded this year.

This grant is allocated from the unrestricted funds of the Community Foundation. Our \$14,600,000 in unrestricted funds is a special community treasure that has been cultivated since our inception over 35 years ago. The Board of Directors is careful to assure that these grants go to substantive and broad-based community efforts in Gaston County.

This year, our staff and board would like to present the check to your organization. When the funds are needed, please notify the Foundation of a time and place the check can be presented and if any media will be invited for the presentation. Please note, based on Foundation policy, our Board will cancel this grant and require re-application if the funds cannot be effectively used as designated by December 31, 2015.

The Foundation will include your grant approval in communications describing its work as appropriate. Such communications may include public news media, our annual report, newsletters, etc. We hope that you will also include the Foundation's pledge of support in any communications you may release regarding this project.

Our leadership is proud of the Foundation's community resource represented by \$70 million in total assets, more than \$14.6 million in unrestricted endowments reserved specifically for charitable use in Gaston County. We wish you well in successfully implementing your planned use of this grant.

Sincerely,

Ernest W. Sumner

City of Mount Holly Action Agenda Item

To: City Council	Date: October 8, 2014
From: Danny Jackson, City Manager	Meeting Date: October 13, 2014
<u>Agenda Item to be considered:</u> New Business #1 – Consideration of a request to Partner with the Mount Holly Christmas Parade Event	
Will this require a public hearing? ☐ YES ☒ NO	
<u>Background/Purpose of Request :</u> Recently I met with Daphne Barton and Phyllis Harris, Coordinators for the Mount Holly Christmas Parade. We discussed the possibility of the City of Mount Holly partnering with the Coordinators of the Christmas Parade to help with the continuation of the event in the future. The primary focus of the partnership is financial support. It has been increasingly difficult for the Coordinators to raise enough money to offset expenses associated with the parade. The City of Mount Holly currently through its budget gives \$1,500 towards the Christmas Parade. The average expense for the parade is approximately \$3,500. For your consideration I am proposing that the City of Mount Holly officially adopts the Christmas Parade as a city event. In doing so we can more directly affect the end product and all of the components that go along with the parade. I truly believe that we can work to make improvements to the event. In regard to the needed additional funds for the expenses mentioned earlier, I have already addressed the issue whereby the city's budget is not negatively impacted. Therefore, I am in favor of the requested partnership.

City of Mount Holly Action Agenda Item

To: City Council	Date: 10-8-14
From: Jonathan Wilson, Planner	Meeting Date: 10-13-14
Agenda Item to be considered: Call for a public hearing, regarding a request by Mythos LLC, for a rezoning of a parcel at 411 Beatty Drive, Tax Parcel ID # 184120, from B-2 Neighborhood Business to B-3 General Business.	
Will this require a public hearing? ☒ YES ☐ NO	
Background/Purpose of Request: An application was received by staff requesting a rezoning. The applicant is requesting to rezone a parcel located at 411 Beatty Drive, Tax Parcel ID # 184120, from B-2 Neighborhood Business to B-3 General Business. This property is surrounded by and adjacent to properties that are currently zoned B-2 Neighborhood Business to the north and south and R-12 Single Family to the east and west. If the rezoning request was to be granted this would create a "Spot Zoning", which is not an appropriate situation. Furthermore, the B-3 Zoning District allows for uses with a greater intensity and in 2009, the City adopted the South Gateway Overlay District to remove certain uses that were considered inappropriate for the Highway 273 Corridor. While this property is not located in the South Gateway Overlay District, Staff believes that the proposed request is not in line with the existing guidelines that have been in place for the last 5 years and would go against what was recommended by the City's 2008 Strategic Vision Plan. The current B-2 Neighborhood Business Zoning District allows for a very wide variety of appropriate land uses that staff would support being developed on this property. Through conversations with the property owner's real estate representative it was conveyed to staff that the owner would like to operate a vehicle sales establishment which is only allowed in the B-3 General Business Zoning District. Staff does not feel that a vehicle sales establishment would be the most appropriate use of this property. Staff has had open communication with the owner's real estate representative throughout this process in which the real estate representative was aware of the "Call for Public Hearing" agenda item on the Planning Commission's agenda and neither the owner nor the real estate representative attended the Planning Commission meeting.
