1. Public Hearing regarding a request for a text amendment to Article 3, 5, 6, and 7 of the Zoning Ordinance to reflect an outdoor resort use and regulation as a Special Use in the B-3 Zoning District

Mr. DuPont advised that Mr. Reed and Mr. Murphy were at the last Council meeting to introduce their idea of an outdoor resort. This month they are here to seek approval. Reed and Mr. Murphy explained in detail their plans for the outdoor resort and advised that one of the main reasons for picking Mount Holly is the tag line "Connecting Community with Nature." They advised there will be full hook-ups for RV's, yurt's available for over night rentals, and full amenities (pool, playgrounds, etc). There was further discussion regarding the property and the right of way. Council shared concerns that this proposed outdoor resort could possibly turn into private residents/an unwanted RV park in the future. Staff advised that the special use permit would not allow for that by adding a maximum 15 day time frame on each individual location. After further discussion, Councilman Hope made the motion to approve the text amendment to Article 3, 5, 6, and 7 of the Zoning Ordinance to reflect an outdoor resort use and regulation as a Special Use in the B-3 Zoning District as amended to include that there are to be no private ownership or improvements to individual sites. It was the consensus of Council to ask the MHHS to bring back some different options.

5. Presentation of Gaston Outside (GO) Image Campaign

Mr. Jackson brought the Gaston Outside (GO) campaign before the Council to inform them what the steering committee has done so far in the process. City of Mount Holly Action Agenda Item

To: City Council

Date: August 4, 2016

From: Danny Jackson, City Manager

Meeting Date: August 8, 2016

Agenda Item to be considered: *Presentation #1 – Presentation of a plaque honoring city employees for their work with the Students @ Work Project*

Will this require a public hearing?

☐ YES

☒ NO

Background/Purpose of Request : *Earlier this year the Gaston Regional Chamber of Commerce and Gaston Schools partnered in a new project called Students @ Work. The gist of the project was for a select number of 8th Graders throughout Gaston County to learn about the workplace of various employers throughout Gaston County. Students were given an opportunity to learn what it takes to become a viable candidate for employment. The City of Mount Holly via my office was asked to participate in the project. My staff and I developed a plan to enlighten a number of 8th Graders from Mount Holly Middle School about what we do in the workplace. It was a great experience for the students and for us as well. Reeves McGlohon, who contacted me about the City being a part of the project, will be in attendance to present a plaque from Gaston County Schools to the City of Mount Holly. On June 20, 2016 I attended a Gaston County School Board Meeting to accept the plaque on the City's behalf.*
